

WHY IS INVESTING IN LITERACY SO IMPORTANT?

Adults with improved literacy skills get jobs more easily, earn more money, raise healthy families, vote, and give back to their communities in countless ways.

Once learned, literacy skills cannot be taken away. Our community is a healthier one when a greater number of adults achieve the self sufficiency that better literacy skills support.

YOU can make our community a healthier, more dynamic place to live by helping our neighbors improve their lives.

With your support, the Whatcom Literacy Council has provided free services to all adults who have turned to us for help to improve their reading, writing and computational skills since 1978.

The Whatcom Literacy Council is a 501(c)3 nonprofit organization.

All donations stay here in Whatcom County, helping our neighbors.

Mission Statement: *To empower adults to achieve their goals and improve their lives through literacy.*

The Whatcom Literacy Council is a United Way Partner agency.
